

# ONLINE WEBINAR

Join the PRO-COAST online webinar series exploring tools for Transformative Change in coastal communities.

**Dates:** 21st January - 18th March 2026

## Webinar 3: Community Sustainability Platform (CUSP)

**Main speakers:** Prof Robert Kenward and Dr Perline Bastid

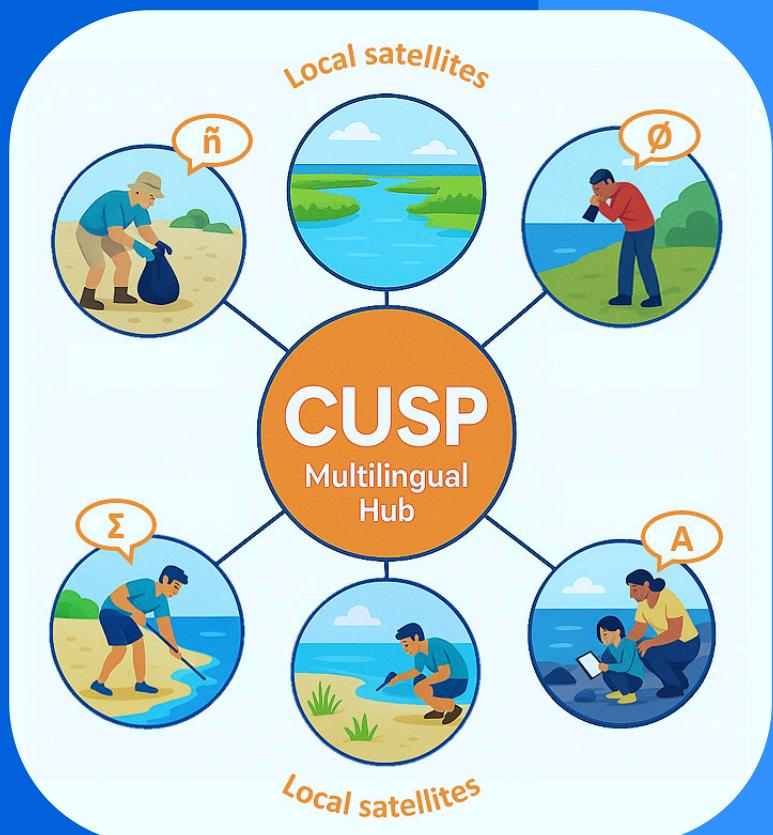

**Date:** 18th March 2026

**Time:** 14:00 - 15:00 CET

Join us for a webinar introducing the **CUSP**: a **new multilingual hub designed to share tools, best practices, and decision-support resources**. It will continue to support coastal communities after the PRO-COAST project ends.

### The webinar will feature:

- An introduction to the CUSP, including its purpose, core functions, and target audience
- An overview of the current development progress

In the second half, attendees will discuss **local communities' sustainability needs and the most valuable tools** and resources to support them.
